

SPECIAL SELECTBOARD MEETING
APPROVED MINTUES
THURSDAY; April 16, 2015
TOWN CLERK'S OFFICE

Town Officials: Cheryl L. Sargeant, Michele Brown and Sean Linskey, Selectboard; Danial Sargeant, GVFD, Inc. Fire Chief and Kevin Bagley, Road Commissioner

Public: Fritz & Vivian Branschofsky

Call to order at 6:00p.m.

FEMA Alternate Project Fire Department Rescue Truck: Danial Sargeant informed the Selectboard that they found a Rescue Truck in Pennsylvania. They would like permission to drive there to check it out and bring it back. After further discussion it was agreed that if the truck met with their expectations that they could bring it back and we would approve the paperwork for purchase. Michele made the motion to approve and Sean seconded. Cheryl recused herself from voting. All in favor.

Culvert Repair on Maston Hill: The culverts located near Caitlin Cutting's were frozen solid and with help from various individuals and Harvey's Plumbing & Excavating LLC it was determined that we would let nature do its work unless the road started to wash out. Water was flowing through the upper culvert. The Road Commissioner was instructed to keep an eye on the area.

Grading of Town Highways: After lengthy discussion; it was determined to have Town Line Road and North Hollow Road graded. We would wait on full grading the town highways until the frost was out of the ground. Michele made the motion to approve and Cheryl seconded. All in favor.

Cheryl made the motion to adjourn the meeting at 6:20 p.m. and Michele seconded. All in favor.

Respectfully submitted,
Cheryl L. Sargeant, Chair
Granville Selectboard
