

TOWN OF GRANVILLE
SPECIAL SELECTBOARD MEETING
HANCOCK TOWN CLERK OFFICE
APRIL 18, 2017

Subject to Final Approval

Attendees: All six Selectboard members from Granville and Hancock, both Road Commissioners and residents of both towns.

The Hancock Selectboard invited the Granville Selectboard to participate in their monthly meeting to discuss areas that the two towns could work together on. After an overwhelming vote on April 11 to merge the two towns school district, it seems that the towns might consider other areas that could provide efficient services.

The meeting started at 6:30 and was over at 7:20. The focus was on the possibility of the towns working together on maintenance and improvement of our roads. Many ideas were discussed. There was a lively exchange with the members of the public.

Bruce Hyde and Jack Ross will meet to explore many of the ideas in more detail and report back.

Respectfully Submitted
