5:30 pm Public Hearing for the proposed pent of Genes Road, TH #24 was conducted by the Granville Selectboard immediately following the onsite examination. The road is a class 4 road. The site visit included reviewing location of proposed gates. The land owners are requesting to have gates closed on both ends on Genes Road and the town is considering allowing gates to be closed but not be locked. The north gate will be about 400' from the intersection with VT Route 100. Bruce asked for any questions or comments on the proposal to pent TH#24. Being none the meeting adjourned.

5:34 pm Adjourn Sean moved to close the Public Hearing which was seconded by Bruce. All were in favor with none opposed.
