

Granville Parks and Rec Committee

Meeting minutes/5 PM June 12

Present at meeting

Erika Linskey Sean Linskey

Aspen Linskey.

Erika and Sean met and decided to table discussion to next meeting

July 10 5PM at the town clerks

Update from Norm Arseneault:

-- Our request to the Forest Service for a Special Use Permit was mailed to them May 9. I haven't heard anything since.

-- Just this week, the VT Agency of Natural Resources has confirmed that our application for a Wetlands Permit to build the Bagley Camp Trail Parking Lot is complete. Now they have to put it out for 14 day public comment period, and if no negative comments are received, they will issue a permit soon after. The Granville Parks & Rec Committee could consider submitting supportive comments during the comment period. Why not?

-- Kevin Bagley and I have agreed to finalize the relocation survey for the upper end of Kennedy Road where it intersects with Forest Road 101 during the latter part of June when Kevin is on vacation.
