November 20, 2017

DRAFT

In attendance:

Mark Belisle, Mary Falcon and Cheryl L. Sargeant, Cemetery Commissioners

Public: Judy Wood, Bruce Hyde, Chair Selectboard, Shawn & Marilyn Dougherty and Jackie & Gene Hammond

Call to Order: 10:35 a.m.

Public Communication:

- Cheryl asked that everyone treat each other with respect and to keep their emotions in check while we discussed the issue of access.

Old Business:

- Cheryl explained that the meeting was called to reexamine access to the Elmwood Cemetery Extension because the Selectboard asked us to at their November 13, 2017 meeting. Cheryl asked Bruce to address the group. Bruce explained that due to issues discovered at the meeting with the Vermont Agency of Transportation (Vtrans) on November 10, 2017 and that Rick Lee said that we could use the center road and get to the back unimpeded that they Selectboard declined allowing the Commission to use the "Swale". After much discussion; Mark moved to extend the current 12 foot wide road into the Extension and to spend the money needed to do so. Mary seconded the motion. All in favor none opposed.
- Mark mentioned that the flag pole can be fixed with a new piece and he will do that in the spring.
- We did not need to discuss the topic of selling plots at Elmwood Cemetery as the request was dropped.

New Business:

- Reminder that the Commission needs to type a report for the upcoming Town Report.

Mary made the motion to adjourn the meeting at 11:05a.m. And Cheryl seconded. All in favor none opposed.

Respectfully submitted,
Mark Belisle 2018
