Old Business - Motion to approve minutes by Judy, seconded by Rachel, and all in favor.

New Business -

With laptops, we reviewed the entire Draft as it stands now.
We were able to resolve a number of questions and made associated emendations.

Bill will work on putting together what is needed to fulfill Act 171 requirements to go in the Land Use section.

Rachel will access Bio-finder and/or other sources to compose a brief paragraph on Granville's plant communities for the Natural Resources/Physical Conditions section.

Judy will aim to complete last section of the Draft, and attend to a few other unresolved questions in the composed draft sections.

We also very briefly discussed Chris Damiani's (TRORC) visit of last month. We are pleased that he approved of our work so far, particularly our aim to produce a more concise and user-friendly Town Plan.
