Old Business:

- Minutes from the August 6, 2018 meeting were approved as edited with a motion made by Judy and seconded by Rachel. All in favor, none opposed.

- Cheryl found Granville business listings on the Secretary of State's Corporations Division website and will create a separate listing of the active businesses from that list to be used as a possible Appendix to the Town Plan.

- Reviewed and approved Judy's drafting of part of the Regional Context section.
- Rachel brought up the subject of retrofitting for energy conservation and will explore the subject for possible inclusion(s) in the new Plan.

New Business:

- We will begin to formulate Goals for each section; and consider where Recommendations as well as Policies might be appropriate.
- We will also refer to TRORC's review of the 2014 Plan in order to address cited shortcomings.
