

Granville Planning Commission October 1, 2018 Meeting Minutes

DRAFT

Called to Order: 6:05 pm

In Attendance: Judy Wood, Chair; Rachel Grigorian and Bill Cavanaugh

Public Communication: None

Old Business:

- Minutes from the September 5, 2018 meeting were approved as edited with a motion made by Judy and seconded by Rachel. All in favor, none opposed.

New Business:

- We talked about how to get the public's opinion on the Goals, Policies, and Recommendations that will be put into the town plan. We decided that Rachel will promote the next meeting on Front Porch Forum asking community members to come and voice their opinions at the next meeting or via email to Rachel, Bill, or Judy.

Continued working on draft plan:

- Judy will clarify with Chris Damiani of TRORC exactly what he meant by suggesting that some reference to goals be included within each section.
- We discussed possible ways to revitalize Granville Village Centers and enhance community. Some of these ideas may be pursued by contacting relevant property owners, as well as the Conservation Commission vis-à-vis the Granville Commons, and the committee working on refurbishing the old Post Office Hill Library. If approved by the parties involved, some of these possibilities might then be included in the new Town Plan in the Goals, Policies, Recommendations portions of the Plan.
- Bill is continuing to work on Act 171 requirements for inclusion in the Land Use section.
- We reviewed the Draft Town Plan to approve, edit, or reject additions made since the previous meeting.

Judy motioned to adjourn at 7:35 PM. Rachel seconded. All in favor, none opposed.

Respectfully submitted,
Rachel Grigorian
