

GRANVILLE PLANNING COMMISSION
MONDAY, MAY 6, 2019
MEETING MINUTES

6:00 - Call to Order

Roll call: Bill Cavanaugh, Rachel Grigorian, Judy Wood

No public attendees, no public comments.

No communications/bills.

6:05 - Old business:

- Reviewed recent, 5/1, additional comments/suggestions from TRORC; Judy had already made required changes/additions (on Word.doc version of TP, for future PDF following 5/10 hearing).
- Reviewed all comments/suggestions sent by Ron Millard 4/30 and 5/1. We accepted several but rejected many as being too 'history' oriented, and/or beyond Plan purview. After 5/6 hearing, Judy will email a full response to Millard.
- Discussed preparation for 5/1 hearing; e.g., all three of us being knowledgeable about Subdivision Bylaw.
- Established that the hearing agenda will address and hear comments on each Plan section in its order as drafted; and that Bill will take notes.

7:30 - New business:

- Reviewed upcoming PC tasks - as listed in the agenda:
 - Update Local Emergency Management Plan (formerly known as Local Emergency Operation Plan) by the May 1 deadline. !!!
 - Renew Village Center Designation before July 2019 expiration
 - Draft Subdivision Bylaw - if recommendation in Plan accepted
 - Draft Telecommunications Ordinance - ditto above

7:45 - Judy motioned to adjourn, all in favor.

Judy Wood, Chair
Granville Planning Commission
