

The Department of Public Service will host a virtual public meeting via Zoom on Monday, June 20, 2022 from 6:00 PM to 8:00 PM to provide members of the public an opportunity to receive information regarding a telecommunications facility proposed for siting in Granville, Vermont. The session will include a presentation from the Department of Public Service to discuss its review of the proposed facility's cellular coverage and a presentation from the applicant, New Cingular Wireless PCS, LLC d/b/a AT&T, to provide information about the project. The session will provide an opportunity for members of the public to ask the Department or AT&T questions about the project as well as an opportunity to comment for consideration by the Department. Members of the public may join the virtual meeting by using the following information:
